Queensland's Dynamic INXS Tribute Show

INEXCESS

Joey (Lead Vocals)

Joey has the voice and looks to suit the part, fronting the band with the confidence and charisma of a seasoned performer. Beginning his performing career in the Eighties, Joey has lived through the INXS era and delivers the songs with both the energy and confidence that could only come from over a thousand live performances and twenty years of experience in the music industry.

Sean (Saxophone / Guitar)

Sean is the youngest of the band, born only halfway through the INXS story in 1989. He's had eight years of playing experience throughout his schooling years, with tours to Cairns and Fiji. Sean is currently studying to become a professional musician at University and is playing in clubs around Brisbane with bands such as Two's Company and Markossa. Sean's youthful energy compliments the band's endless experience.

Bradley (Keyboards / Vocals / Percussion)

Keyboards, Keyboards, and more keyboards! You should see Bradley's set up, and he's not finished yet! With his passion for music, energy on stage, and experience working in professional bands for over 12 years, he is up for any challenge. With such musical influences as Stevie Wonder, David Paiche, Ray Charles, Santana, and INXS, Bradley is able to draw on his many musical styles to create a performance that is unforgettable.

Steve D (Lead/Rhythm Guitar and Vocals)

Rocking guitar riffs is what you'll get from this guy! With over twenty years experience, he's toured with every type of band, from Perth to Sydney and now Brisbane. Steve's sound is influenced by a diverse range of bands, including the likes of Rush, Van Halen, Toto and of course INXS.

David (Drums / Percussion)

Playing in pub rock bands since the age of 15, David has gained lots of performing experience. He has been the driving beat behind local bands such as Gallery, Clutch Cargo, After Hours, Guilt Edge, Boothill Medicine Men, Anarchy and Skidaddle. INXS has always been a major influence on David's drumming and being able to be part of a tribute to INXS has got him rocking!

Steve B (Bass Guitar)

Brisbane-born bass player Steve has had nearly ten years experience playing in bands such as Pawn, Skidaddle and Basset Hound to name just a few. Steve is an enthusiastic and solid bass player who loves to Rock Hard!
